Welcome to Indus International University

Indus International University (IIU) is the only University in District Una, Himachal Pradesh. It is duly recognized and approved by University Grants Commission (UGC) and is proud to be one of the very few universities to have complied with all the requirements of UGC. It is also a member of Association of Indian Universities (AIU).

Establishment and Recognition Status

Established by an Act of the State Government of Himachal Pradesh in 2009, under the aegis of the Kartha Education Society (Mumbai), IIU is recognized by the UGC vide letter F. No 8-11/2010 (CPP-I/PU) dated 12th July 2010 and is included in the list of universities maintained by the University Grants Commission under section-2 (f) of UGC Act 1956.

Vision

The Indus International University envisions to be recognized nationally and internationally as a leader in providing innovative educational opportunities for learners within the global society.

Mission

The mission of the Indus International University is to provide high quality, contemporary world class undergraduate education to its students and produce graduates who will be well prepared for a globally interdependent, culturally diverse society and be leaders in their respective professions.

Our Focus Area's :

- ◆ Industry integrated programmes wherein students work to gain hands on experience.
- ◆ Student centric approach for all round development.
- ◆ Tie-ups with foreign universities for semester abroad programmes.
- ◆ Industry relevant modern curricula and well-equipped laboratories. Project based experiential learning. ERP driven academic administration.
- ◆ Collaboration with other reputable institutions like IITs, NITs etc. through guest faculty, seminars and workshops to acquaint with the global scenario.
- ◆ Strong industrial internship/ placement facilitation.

Kartha Education Society

IIU is a part of the **Kartha Education Society (KES)**, Mumbai. Dr. Sudhir Kartha is the Chairperson of KES. The KES group operates schools and colleges in India, UAE, UK, Canada and Online. The members of the society being educationists themselves with international academic experiences provide leadership and directions for building IIU with the flavor and content of a global university. An ethics based organization, IIU has been set up as a not-for-profit institution with the primary objective of providing access to higher-education opportunities for Science & Technology, Applied Science, Pharmacy, Management, Ayurveda, Naturopathy and Humanities aspirants in rural or under- represented areas, so that students need not travel to the other cities wherein the major public universities have been housed.

Chancellor Message

Welcome to the **Indus International University**. We believe, education is about empowerment through the development of ability to reason, judge and make informed choices. Our endeavor is to prepare the youth for the large arena, both in India and abroad. At our university, we provide you with a holistic educational experience committed to excellence. Our team of faculty and staff are dedicated to impart high quality education with a difference, through latest ICT tools. We are committed to provide a well rounded education, quality sporting and other infrastructure facilities to its students. We teach, keeping the students in focus, bearing in mind how best they learn and to what purpose.

Dr. Sudhir Kartha
(PhD University of Bolton-UK)

I cordially invite you to explore the IIU through our web site and to physically visit our picturesque campus. You will discover that the University is founded on strong principles offering world-class education at an affordable fee. You will find evidence that teaching-learning, workshops, guest lectures, industrial visits, and innovation by students are our priorities. With this training you will be equipped to effectively face the challenges of tomorrow. We seek to ensure progress and growth of everybody associated with IIU.

I'm sure you will agree with our University motto "*Creating futures, Changing Lives*"

Secretary-KES, Message

Indus International University is the flagship institution of KES. The members of the society being educationists themselves with international academic experiences provide leadership and directions for building IIU with the flavor and content of a global university. It is therefore but natural, that IIU can be proud of able local administration and global exposure. I am confident that the students enrolling in IIU will have a unique blend of the local and global practices.

I call upon the students to be a part of the university in the state of Himachal Pradesh known as the "**Switzerland of India**". Come, join IIU community and absorb the rich experience

Mr. John Neelankavil
Secretary-KES

Vice-Chancellor's Message

Indus International University situated in Hills of Himachal Pradesh, India is a brainchild of a visionary of an educationist and a philanthropist – Dr. Sudhir Kartha, Chairman of the Kartha Education Society-Mumbai to provide exceptionally congenial academic milieu for nurturing the future catalysts to outperform global standard of Academia, Innovation and Research. We are grateful to the guidance of our Secretary Mr. John Neelankavil in leading the Academia in the University.

The University has carved out a niche among the comity of Universities to provide a distinct platform for the students to blossom as diversified human asset as an Indian and a Global Citizen. It tries

to uncover inquisitiveness for experiential learning, which supports the growth of quality, leadership, and entrepreneurship, under the guidance of highly skilled teachers. The quality of education disseminated in the University brings out the best in the vibrant young minds with the major skill-sets required for the industry. The courses offered are very carefully designed keeping the functionality of output to bridge the gap between higher education and employment. We kindle the passion in students and train them to be a brigade of change-world leaders. We are resilient and ready to shape the future. Join us in the journey to Excellence in Academics. We are open to collaborate with universities and colleges worldwide for spread of education, Students Exchange, Seminars, Workshops, Conferences, students and Faculty Exchange. All these activities lead to better placements for students in Industry.

Schools & Courses Offered

The University offers programmes leading to undergraduate/post-graduate and/ doctorate degrees in the areas of Science & Technology, Pharmacy, Applied Sciences, Arts, Commerce, Management and Ayurveda. Each academic program has eligibility criteria as prescribed by HP State Government and a well defined course structure, which is available at www.iiuedu.in. IIU has a contemporary curriculum, taught by competent faculty.

The pedagogy is patterned after US universities with the academics & administration completely based on a robust ERP. The curriculum is also consistent with the UGC and AICTE prescriptions. The teaching- learning process duly supported by technology diminishes the overwhelming nature of text and helps the student to manage the cognitive load, which increases retention. An academic calendar guides program conduct in a systematic and time-bound fashion

In addition, Rs 500/- towards convocation fee and Rs.500/- towards Alumni Association, will be deducted.

Anti-Ragging Measures

Ragging is strictly prohibited in IIU and its hostels. We provide a fostering environment for a strong vibrant and warm relationship amongst the senior and junior students. Any interactive session between senior and junior students shall be conducted in the presence of teachers. Any interaction that causes discomfort may invite punishment that may take any of the following forms as decided by the Anti-Ragging Committee, depending upon the severity of offence:

- Suspension from classes/hostel
- Debarring from appearing in university examination.
- Rustication from the university for a period up to two years and/or Fine up to Rs. 25,000/-.
- Rigorous imprisonment up to three years through the process of court of law..

Students Conduct and Discipline Rules

The behavior of the vast majority of IIU students is exemplary - they are responsible and considerate. To deal with those who are not, the University has a disciplinary system whose purpose is to protect the University community and to deter those who interfere with its work and activities. Students agree to abide by the University rules at the time they register and these apply not just on campus but outside of campus as well. Parents, staff and students all expect IIU to maintain a safe, orderly and peaceful environment – we at IIU take this very seriously. We at IIU believe that it is important to encourage and reinforce positive behavioral patterns. Observance of the college rules and regulations is compulsory. The students who violate any of the University rules and regulations shall have to bear the consequences that come under various categories of offences. The details of general code of conduct, student grievances, various categories of offences and penalties thereof are available on university website. Please refer to <http://iiuedu.in/pdf/SDRP.pdf>

Faculty Resources

An institution is better judged for its quality by its faculty resource. The major strength of IIU lies in its team of faculty members which has a combination of both youth & experience. Some faculty members have PhDs, rest of them possess postgraduate degrees. Many of the faculty members of the institute are life members of the various professional bodies and are the reviewers of international journals. Apart from performing formal instructions in the classrooms, tutorial classes and laboratories, the faculty members provide counselling &

guidance to students. Individual attention to student is ensured through faculty-advisor scheme for proper personality development of individual & achievement of academic excellence. Faculty members are deputed to attend refresher courses, short term training programmes and industrial training in order to upgrade their knowledge base. They are also liberally sponsored to attend seminars/ workshops/conferences etc. The institute periodically invites visiting faculty from reputable institutions / Universities like NITs/IITs and industry for guest lecturers to provide exposure and varying perspectives to the students.

Examination Policy

All UG and PG programmes follow a semester system where each semester have minimum ninety instructional days as per UGC guidelines. The FALL semester starts in August while the SPRING in January and ends with examination schedule. Examination Committee under the able leadership of Dr. Ram Krishan (CoE) determines the policies, procedure and schedules which are embodied in the academic calendar. Each course has a well-defined syllabus with specified number of credit hours for theory and practical classes. The degree is awarded under course credit system.

Continuous evaluation is the focus for the assessment of students and evaluation is done for every theory and practical (where applicable) course. This is achieved through quizzes, assignments, presentations, projects, mid-semester test and final semester test for each student. As per UGC guidelines 75% attendance in lecture classes in every course is must for appearing in the final semester test. As per academic regulations of IIU, the following marks will be awarded for attendance: 95% and above: 10Marks, 90-94%: 8Marks, 85-89%: 6Marks, 80-84%: 4Marks and 75-79%: 2Marks. The student's performance in each theory course is evaluated for a maximum of 100 Marks of which 30 marks are for in-semester assessment, 10 marks for attendance and 60 marks are for the mid and end semester examinations. Absolute marks are awarded for all tests, quizzes, assignments and laboratory work evaluations. Based on the performance of a student, each student is awarded a letter grade in each subject at the end of semester. The following letter grades are broad indicators of the UG grading policy, for the accumulated weighted marks for a particular course, in an entire semester.

Cumulative marks	Letter grade	Grade points
85-100	A	10
70-84	B	8
50-69	C	6
40-49	D	4
0-39	F	0

Letter grades A, B, C, D are pass grades and F grade is the fail grade. A student is declared pass only if he/she secures the minimum required grade points in each course. If a student fails in any subject he/she will directly go to backlog examination after proper application for the same. All academic activities including attendance to results of all examinations can be viewed on ERP by students using their login Ids provided by examination cell. The university follows zero tolerance for malpractice in examinations and there is strict provision of penalty.

Faculty-Advisor Initiative

The University has a very successful faculty-advisor scheme of fostering the culture of strong bonding between students and academia. Students in the University are divided into small groups and each group is looked after by a faculty member. Faculty members remain in regular contact with the parents and discuss the performance of students time to time throughout the academic programme. Students' absences in the classrooms are informed to their parents regularly. The basic aim of the initiative is to provide a holistic environment where prospective engineers, managers and career-oriented students develop as socially responsible human beings.

Training & Placement

IIU has academic arrangements with several multinational companies who have industry accredited offerings for training in soft and domain-specific skills.

These, though not part of our regular curriculum, are offered to selected students in addition to their degree programme. Some of the industry-accredited programmes like MBA have strong work experience component with a provision for earn-while-learn scheme in place. For engineering programmes, internships with industry is a must in the final year of the course while for MBA programme, it is industry linked from the first semester itself. The cell provides the following facilities to its registered students:

- a) Industry and Career Orientation programmes,
- b) Soft skill and personality development workshops,
- c) Mock written Tests for IT industries,
- d) Mock Interview and Group Discussion,
- e) Invited Talk by Experts from Industry, Academia and regulatory bodies,
- f) Industry Visits,
- g) Industrial Internships,
- h) Placement opportunities in On-Campus and Off-Campus drives.

All the students of IIU need to get themselves registered with Training and Placement Cell of IIU by filling the on-line registration form. Placement assistance is provided only to all those registered under the placement cell. T & P cell provides and ensures 100% placement assistance for all the eligible graduates of IIU. Ultimate selection of the student though depends on the performance of the student in the interview, meeting the eligibility criteria and industry specific needs & parameters.

Extra-curricular Activities

At IIU, students work, play, innovate and rejoice hard. All extra and co-curricular activities are organised under various Clubs at the University. IIU prides itself in having a student driven culture on campus. Students are exposed to real life experiences when they design and practicals etc. and manage various clubs and cells. They organize Technical festivals, Cultural festivals, Study tours, Industrial visits etc. They also arrange competitions like drama, creative writing, debates, dancing, sketching, clay modeling, computer programming, machine-designing to sports like cricket, football, volleyball, badminton and table tennis.
